Alphabet/Google A-Z

This document was created to support a presentation I created many years ago about the use of Google products in Education — at a time when Google Apps was just starting to gain in popularity.

A copy of this document will always be kept in my GitHub account as well.

The short URL of this Google doc is: http://goo.gl/d387. It is simultaneously published as a web page at http://goo.gl/qBPWy (better for embedding or when there are a high number of viewers) and at a-z.beens.ca.

If the Google Doc isn't viewable because it's been flagged again I will also have an exported copy available on GitHub at bit.ly/google-a-z.
